SEEKING A GRAPHIC DESIGNER

Job title: Graphic designer

Job Type: Full-time permanent

Job description and responsibilities:

Mylan Group is currently seeking a talented Graphic Designer to develop and implement creative concepts for a variety of corporate media projects, including marketing materials, product packaging, and editorial layouts. The ideal candidate will have a diverse portfolio reflecting strong graphic design skills in print and web media, as well as flexibility in design styles.

Responsibilities will include, but will not be limited to, the following:

- Collaborating with all departments to define marketing strategies and create effective designs for diverse corporate materials, including advertisements, flyers, brochures, catalogues, corporate gifts, trade show displays, product packaging, and sales presentations.
- Conferring with publishing industry clients to plan and design editorial layouts for print magazines and newspapers.
- Developing and implementing content, tools, and features for web sites and e-newsletters.
- Analyzing web site usage, making recommendations, and developing enhancements based on usability and presentation standards.

Job requirements:

- Bachelor degree or equivalent certificate in relevant field
- Strong project leadership and teamwork skills
- A high level of motivation with the ability to effectively execute projects under tight deadlines
- Proficiency in Adobe Creative Suite (particularly, Photoshop, Illustrator, InDesign, and Dreamweaver) and Microsoft Office
- Proficiency in web design, HTML, CSS, Flash and JavaScript
- Working knowledge of both English and Vietnamese

Job level: Experienced (1-3 years)

Salary: Competitive

Location: Ho Chi Minh City with occasional travel to Tra Vinh

Applications: Applications should be in English and include your cover letter, resume, university transcripts, and portfolio of work. Please mail or email your application to:
